

MOUNTING AND MATERIAL VERSIONS

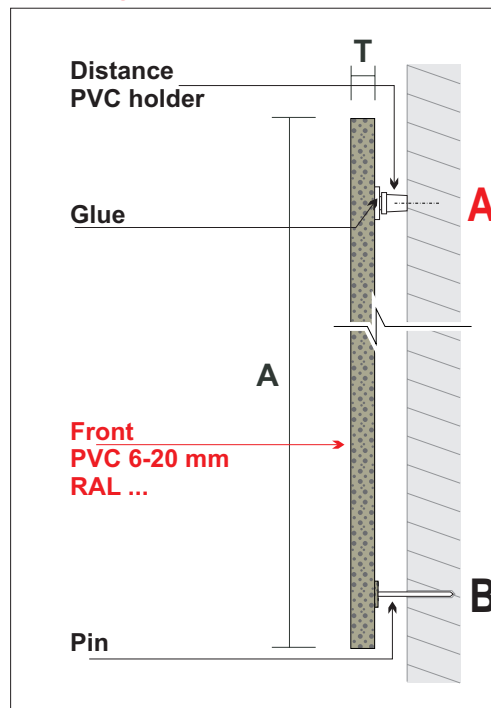

Profil 00

Alu letter mounting with alu profil

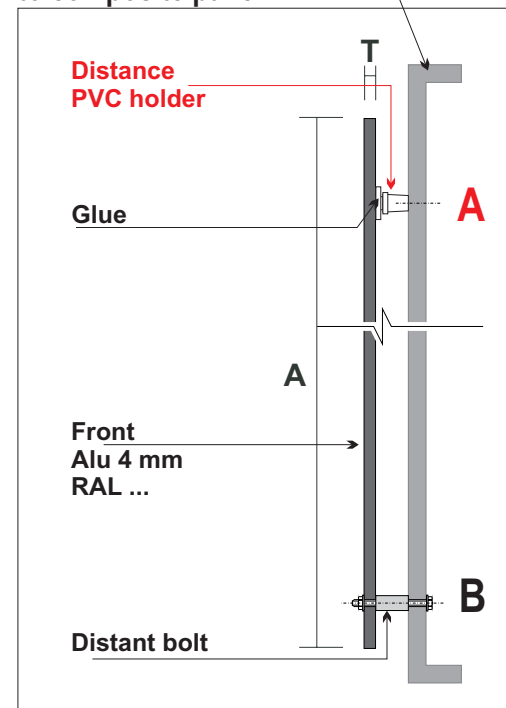

Alu letter mounting with pin

PVC letter mounting with distant holder

PVC letter mounting with pin

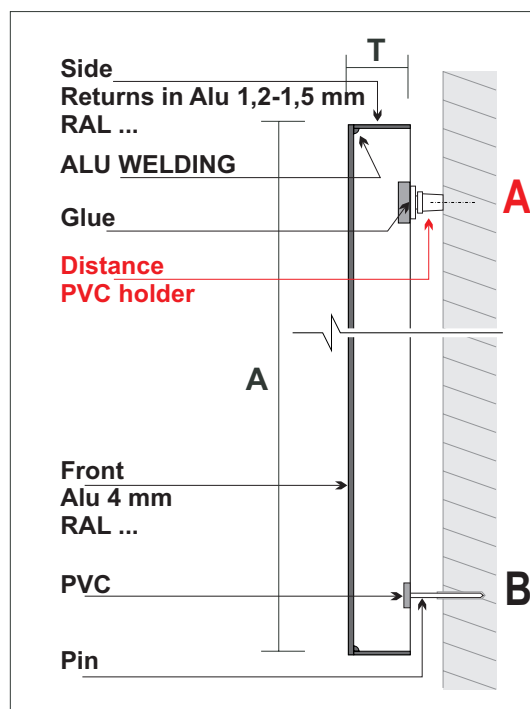

mounting with distant holder to composite panel

mounting with distant bolt

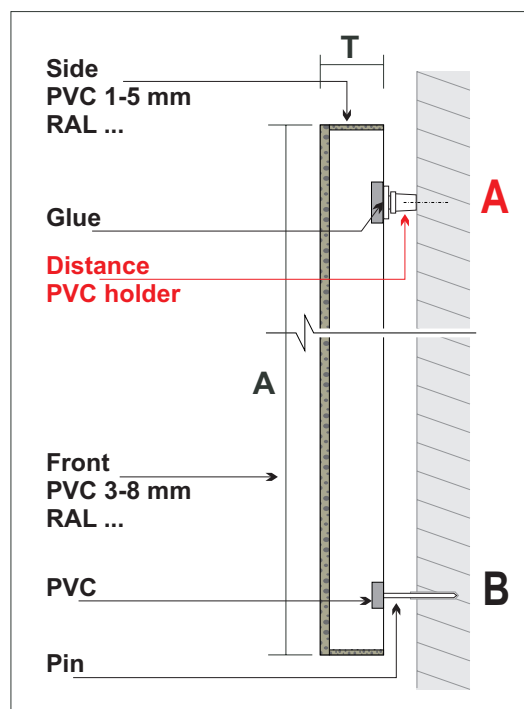

Profil 01

mounting with distant holder

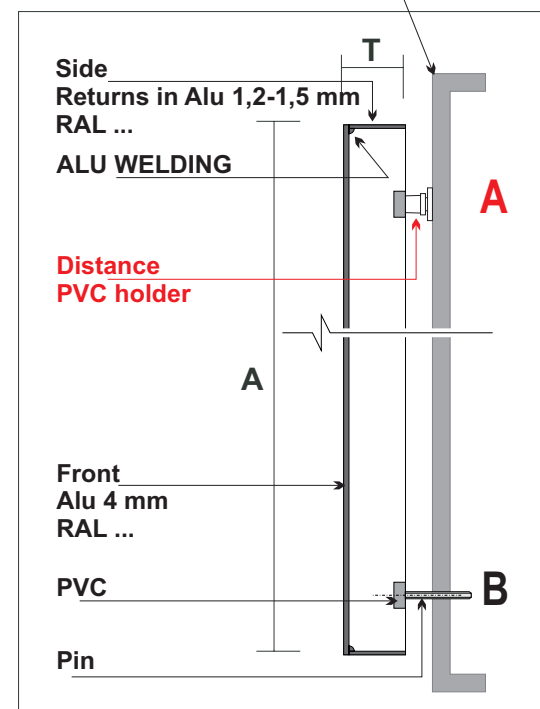

mounting with pin

PVC letter mounting with distant holder

PVC letter mounting with pin

mounting with distant holder to composite panel

mounting with pin

Aluminum plate covered with paint

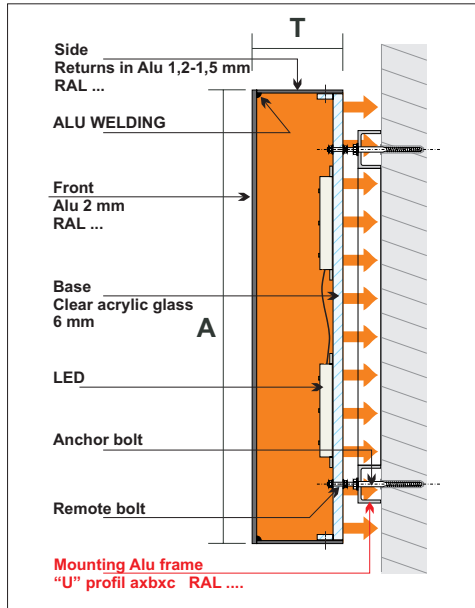

PVC hard foam plate

Acrylic glass

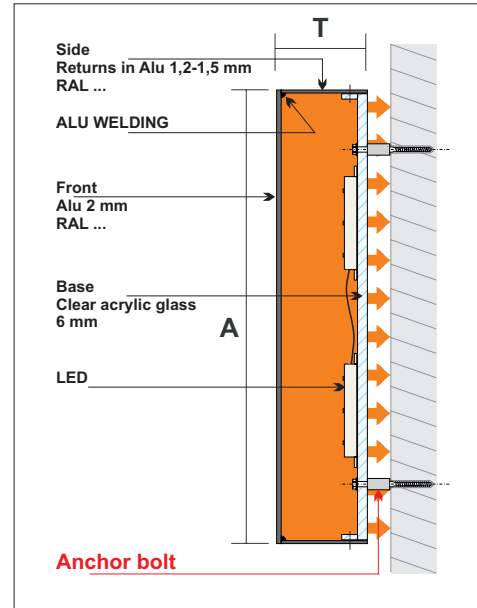

illumination with LED modules

Profil 3

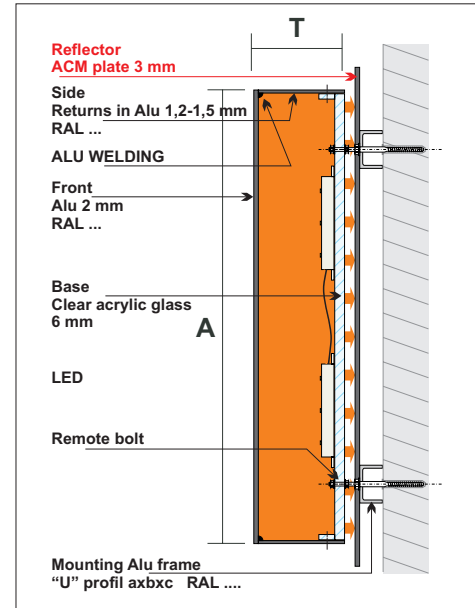

Mounting Alu frame "U" profil

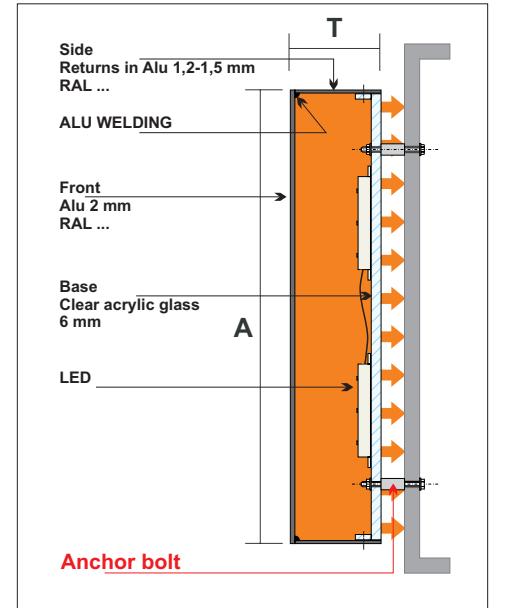

Mounting with anchor bolt

Letter with reflector

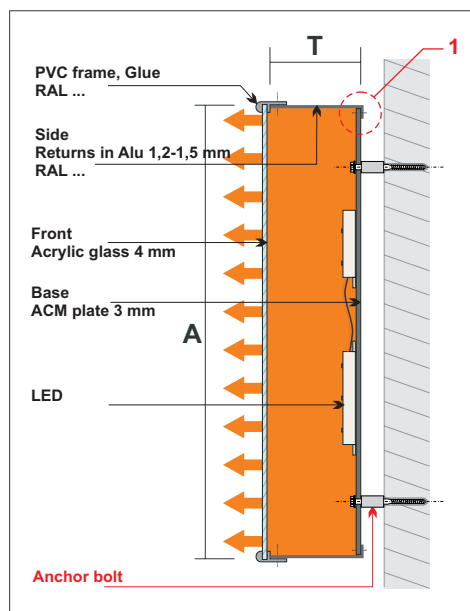

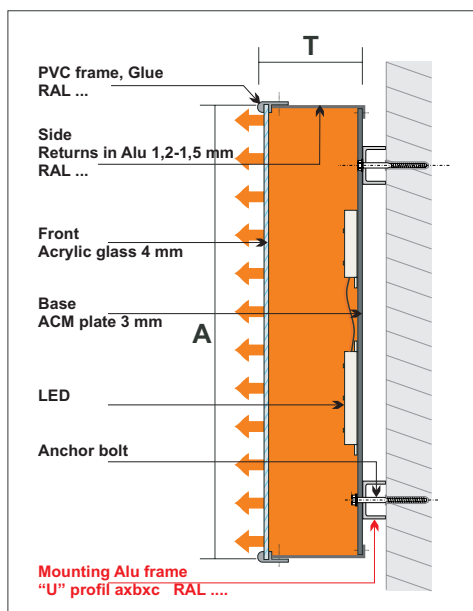

mounting with anchor bolt to composite panel

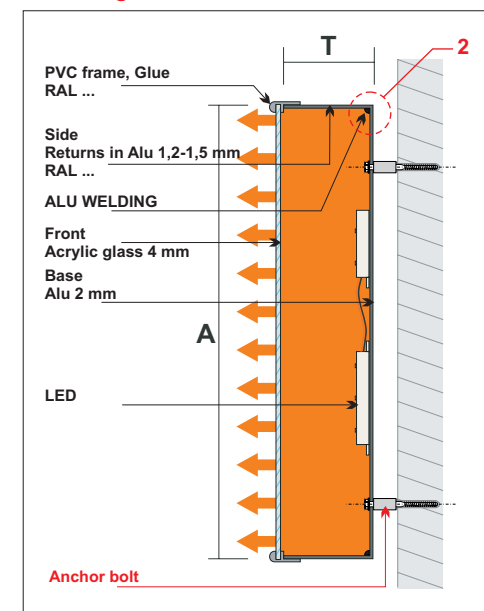

Profil 5

Mounting Alu frame "U" profil

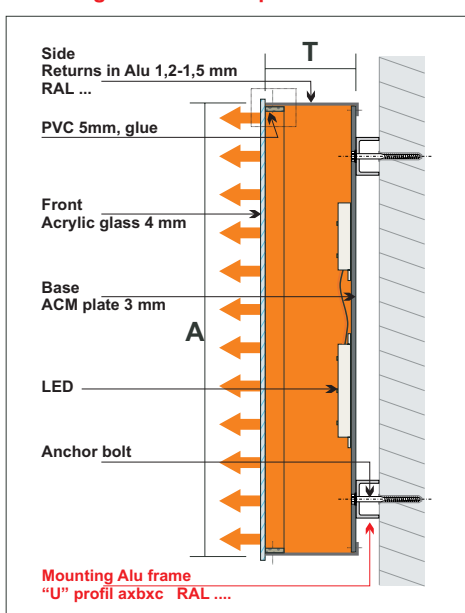

mounting with anchor bolt

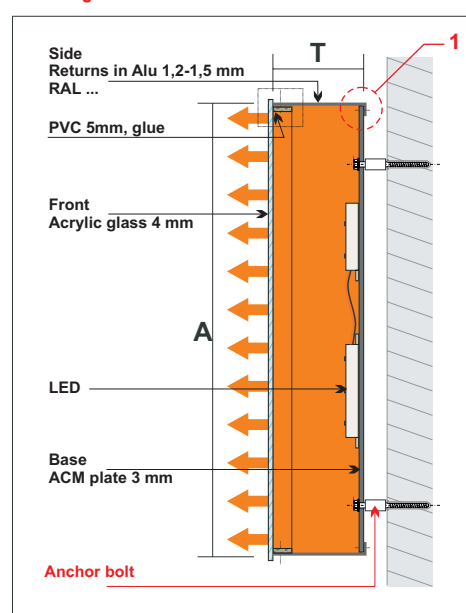

Profil 5S

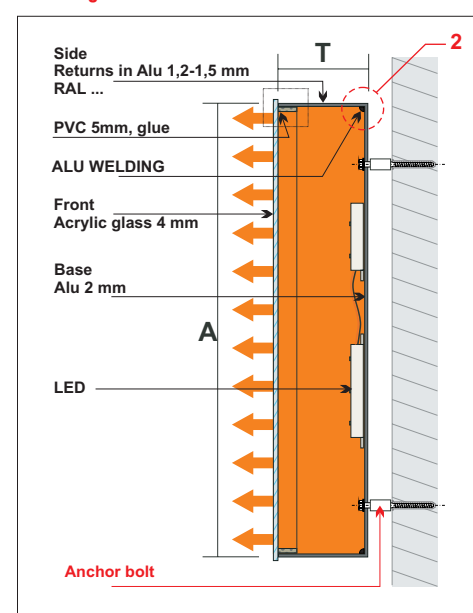

Mounting Alu frame "U" profil

mounting with anchor bolt

mounting with anchor bolt

Aluminum plate covered with paint

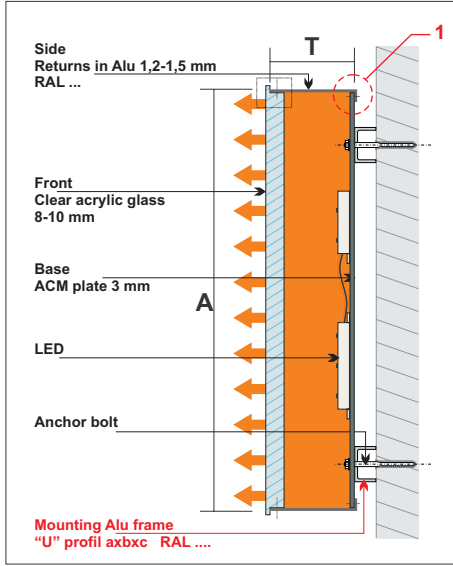

PVC hard foam plate

Acrylic glass

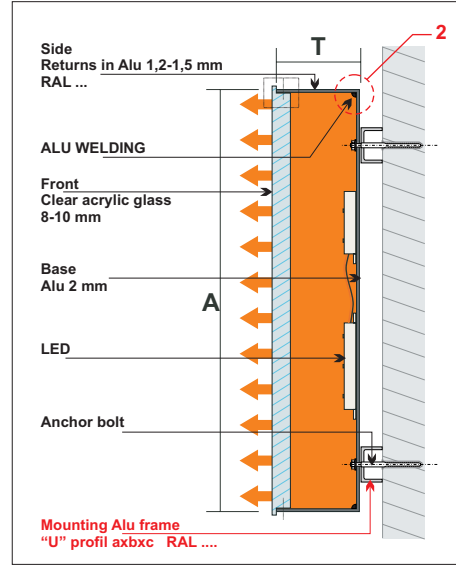

illumination with LED modules

Profil 6

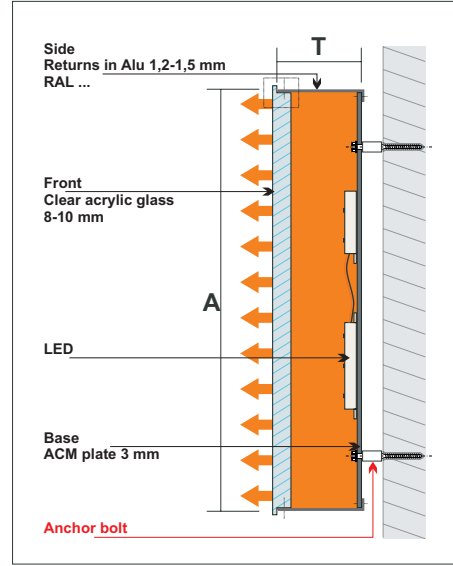

Mounting Alu frame "U" profil

Mounting Alu frame "U" profil

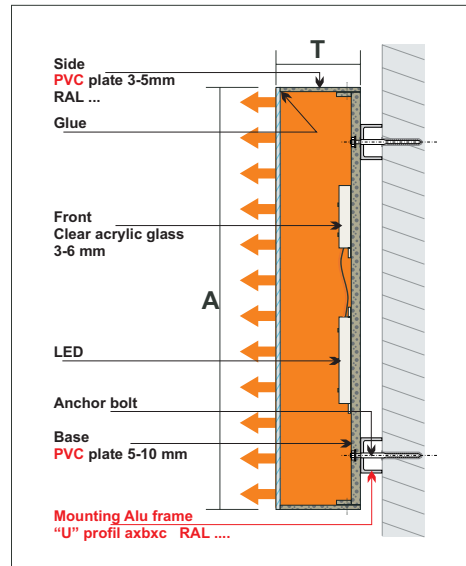

Mounting with anchor bolt

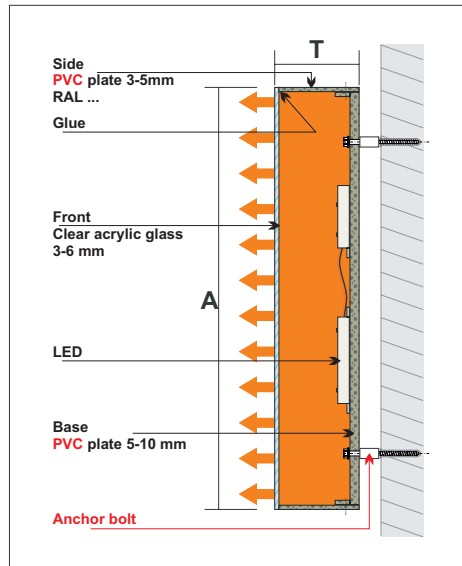

Profil 8P

Mounting Alu frame "U" profil

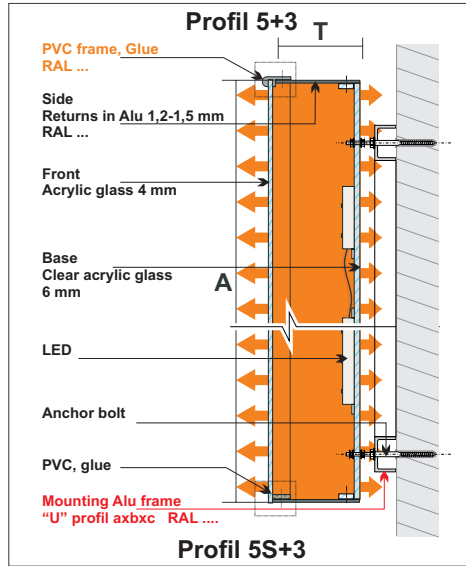

Mounting with anchor bolt

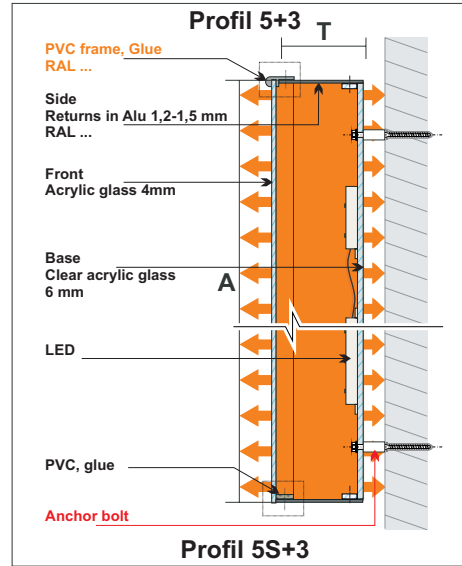

Profil 5+3 Profil 5S+3

Mounting Alu frame "U" profil

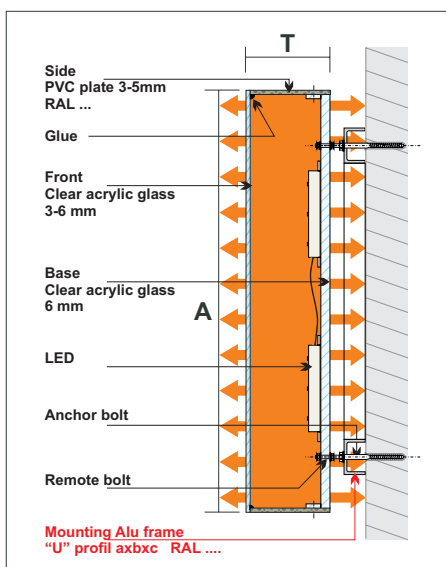

Mounting with anchor bolt

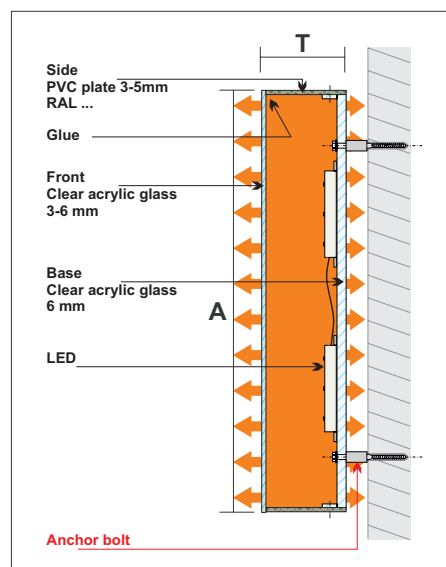

Profil 8P+3

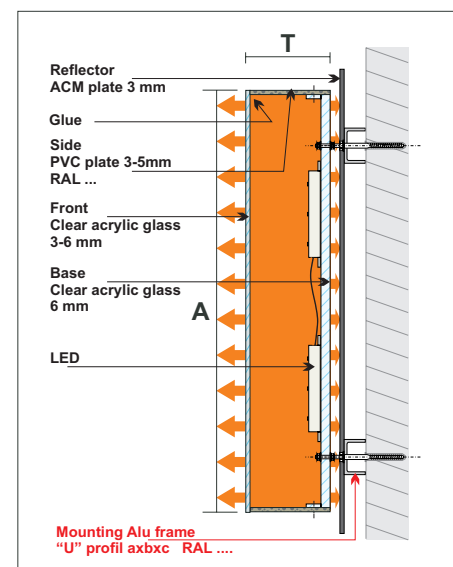

Mounting Alu frame "U" profil

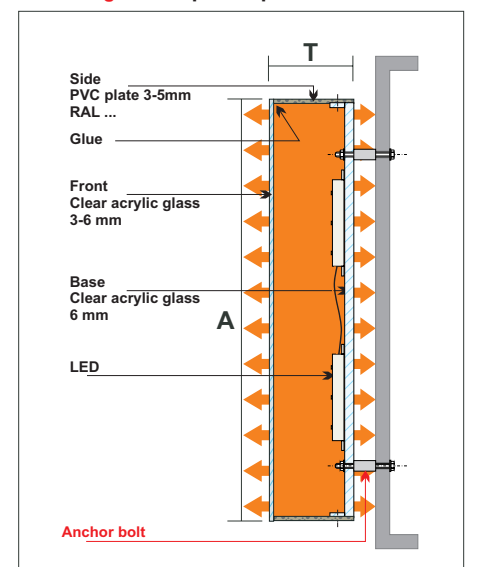

Mounting with anchor bolt

Letter with reflector

Mounting to composite panel

Mounting Alu frame "U" profil

Mounting with anchor bolt

Aluminum plate covered with paint

PVC hard foam plate

Acrylic glass

illumination with LED modules
